Respective responsibilities of the body and the auditor

This smaller authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The smaller authority prepares an annual return in accordance with proper practices which:

- summarises the accounting records for the year ended 31 March 2016; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review the annual return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and does not provide the same level of assurance that such an audit would do.

External auditor report (ACKE0082)

Except for the matters reported below, on the basis of our review of the annual return, in our opinion the information in the annual return is in accordance with proper practices and no matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

- Section 2 has not been prepared in accordance with proper practices. Proper practices require local councils where the gross income or expenditure for the year (whichever is the higher) has exceeded the threshold of £200,000 for a period of three continuous years, to report their financial details on an income and expenditure basis, from the third year onwards. This is the third year that the Council's accounts have included income and/or expenditure of more than £200,000 and thus both year's figures on the Annual Return should not have been completed on a receipts and payments (cash) basis, as they have been. Please ensure that the 2015/16 figures are restated on the correct basis when completing the prior year comparatives on next year's Annual Return.

Other matters not affecting our opinion which we draw to the attention of the smaller authority:
